

The committee of Kenigsberg is at the work, having already opened a permanent subscription for the Jews of Russia, and we have but to continue the good already commenced. The good of the Jews is it not the good of the country where they live?

To diminish in Russia the number of those that suffer, to displace some that others might have breathing room, is undoubtedly to do a good work for the Jews; but if we change the face of things entirely and put in the place of a half-dead and -dying people, a healthy, working one, may we not say it is doing good to Russia? When we shed around the light of instruction, without casting into the shade any one class or creed, do we not do good to the people and to our brothers? To put into the hands of the Jews an employment worthy of their activity, as it is not to work at their well-being? When we make good agriculturists of our brothers do we not serve them, but do we not serve likewise the country by fertilizing its soil and adding to its natural riches.

By protecting the Jews against iniquitous oppression we serve them, but when we render a people less barbarous, when we force them to be less unjust, we put our hand to their civilization.

Everywhere the fruit of our labor is found to be an increase of light, justice and liberty. People and rulers are aiding us in our great mission, therefore it is not astonishing that we succeed. What power in the world is stronger, more powerful or more spreading than the power of Good?

ADDRESS OF M. CREMIEUX, MEMBER OF THE CORPS LEGISLATIF.

Ladies and Gentlemen: It now becomes my duty to address you a few words. I shall have to tell you what, for that matter, you all feel in your hearts of how immense is the happiness that results from doing good to our fellow creatures. And how great is the good that you can effect! What a field is opened to us by our noble mission! Ah, how can I depict the pleasure that is experienced when, on passing in review the labors of the day we are able to say: To-day I have helped an unfortunate brother. The night cannot fail to bring with it the most agreeable dreams for him who has carried consolation to one poor fellow-creature.

But our mission is not limited to a few. Over every part of the habitable globe there are Jews; they are to be found in the midst of every nation; our Alliance would wish to extend its protecting arm over all, to know all the sufferings of our brethren and assuage them.

Let a cry issue from the farthest corner of the universe, we rise as brothers and as men and we send them help as speedily as it is demanded. (Applause.)

Understand me, gentlemen, I may cease to be President of the Universal Israelite Alliance, but as a simple member I remain with you as long as I live, for it is not possible for us to be separated. (Applause.)

Our treasurer has redoubled in zeal and activity; behind subscribers are sending in their subscriptions, and we want them now those subscriptions, we want them now and we shall continue to want them, for this old people of Israel can never die. It preceded all other nations, it has survived all others, and of it we may say with reason: the first shall be the last. This onward march of the people of Israel has not been accomplished without much difficulty without weary travail, without suffering and sorrow, without horrible persecutions, and the recital of which our hearts are sadly afflicted. Now, that we see all the fruits that fall upon our brethren from the tree of evil we should find step them.

We hope to arrive at this issue.

Even in these days the children of Israel are sorely tried, for there are countries in which the spirit of intolerance reaches the height of barbarity in their regard; but nothing is hidden from us any longer, we hear every thing, we know every thing, and as the century is marching with giant-strides towards the liberty in matters of religion which becomes the first necessity of all civilized people, and that glorious standard of civilization borne as it is on the wings of free action from heaven by the genius of man, we may hope to see the last traces of these frightful calamities effaced. What a happiness to be able to say that the Universal Israelite Alliance carried its beneficent influence to the heart of those prejudices and these prejudices have disappeared. (Applause.)

What reason should there be for us not to reach this sacred goal? Look at the movements taking place in the midst of our Israelite populations.

This numerous assembly, which this hall can scarce contain, speak aloud of our ardor for our holy cause; this Gallic ardor exists also in the other states of Europe, it is bursting forth in America where all great human sentiments develop themselves under the wings of the eagle of liberty. (Applause.)

What we desire we shall obtain; because our Universal Israelite Alliance watches over all. See how it has grown in importance. The Alliance is at present known by all the princes that reign in Europe; for there is not one with whom we have not had the honor of having official relations in the interest of our brothers. The Jews to-day are a strong, compact mass, with its banner ever before its eyes, its one and indestructible God watching over it, multiplying in persecution, immovable in its defeats, confident in its promised future, ever hopeful to the good things denied to it up to present, ever hopeful that an intelligent civilization will render back to it what was ravished from it by barbarism and superstition. (Applause.) You, my friends, who are listening to me, you are all citizens of this great empire, in every dominion that exists the Jews must arrive at this right.

But to render them worthy of honor, we must instruct our Jewish children, we must teach them to read and write, (Yes, yes), not alone in Hebrew, but also in the language of the country in which they live.

Who will dare to doubt of the intelligence of our Jewish children?

The fire of an Eastern sun shines in their eyes; the two lights that shone over the head of Moses as he descended Mount Sinai, are reflected upon our Children of Moses, for in Jewish families each child is equal. Formerly the eldest was hated, though, it is true, the mother often deceived the father and made him bless the second son.

Gentlemen, in the midst of our thoughts of regeneration, at the moment when the favorable results of our schools arrived to us from afar, a heart-rending piece of intelligence came to our ears.

The Jews of Russian Poland, struck with the most cruel evils were being decimated by thousands. You have still the terrible picture of their sufferings before your eyes, and I must say that to your honor, you answered nobly to the appeal made upon your generosity.

The Alliance uncertain as to what were the best measures, addressed itself to its committee in Germany and invoked a general meeting at Berlin. Our re-union was a delightful one; negatively existed between our younger brothers of Berlin and us, who were quite as devoted to the great work as we are. Placed as it were at the gates of the countries which are being devastated by so many ills, a number of devoted Israelites hastened to meet our President, your Vice-President always ready with his time or his money, M. Albert Ohn, ever faithful to his trust, M. Lehmann, the indefatigable, and M. Leven, who with M. Lehmann, had gone to visit the theatre of these great misfortunes thus consecrating his own domestic calamity; so you see that your Central Committee was worthily represented, and the highest notabilities of Germany joined themselves to us in fraternal sympathy. With what joy they met us! No sentiment of jealous rivalry existed, all national differences were forgotten and in that assembly we remembered nothing but that we were Jews assembled together to aid and assist our poverty-stricken brethren.

With what respect the following words spoken by your President were received: "Gentlemen," he said to them, "pardon us for the appeal that we have transmitted to you, remember that they are brothers who call you to this family re-union; they are the elders of your great family who come into your midst. We, the founders, we come to you the propagators of our work, we come without ceremony, without ostentation; permit me to say that the delegates of the Central Committee look upon themselves as being at home here. They have convoked you here at Paris."

Applause covered these words that came from the heart and it was easy to perceive that we understood one another. Let us send a loving thought to our German brethren. (Applause.) What a marvelous spectacle, gentlemen, was this fraternal union. Let us not suppose that it is an easy task to remark the supremacy of any one nation, when a great work is in question, to which all give aid and encouragement.

Undoubtedly the Jews spread over Germany, Austria and England, are like us French Jews, the benefactors of high and elevating principles which tend to their regeneration. Needless to remind you that were in Germany, in that great country of knowledge and intelligence, where the minds of men though apparently cold and calm, are nevertheless easily heated when the beautiful and the good are by that question; that we were at Berlin, by that great hearth-stone of science, whose recent victories upon the field of battle have placed her in the first ranks, and that in our re-union shone some of the greatest lights of the age.

Could there be anything more delightful than this meeting in which the purest harmony prevailed? Here is the key to this charming unanimity. Let there be in the farthest off land a Jew persecuted, hunted down, our help sustains him, our strength protects him; let us hear that in the remotest region there are Jews whose misfortune is reducing to despair, whose famine is decimating we hasten to their assistance and we give them all the help we can to stop the tide of their disasters. And who then are we, gentlemen?

We are Jews, of every country without distinction of nationality. You who are listening to me know how dearly we love our country and how confidently it can count on our unlimited devotion. (Bravo, bravo.) Yes each year when the commemorative festival of our first deliverance comes round we say: Next year we will be free men in the land of Israel.

The land of Israel! You understand what means this pious memory. Certainly we have no intention of going back to Jerusalem, of deserting that sacred spot, the land of our birth; but Israel, the land of Israel is not forgotten by the descendants of those great men who made it for ever illustrious. Jerusalem is the Jewish city, Jerusalem is eternity, it is God Almighty the great God, the One God, it is our religion.

This is the great idea which makes of us all the children of one father, which call us to aid our brothers, which makes of the Jewish fraternity a universal brotherhood. In this consists our union, by this we are stronger than all adversities, all persecutions. The children of our great sires forget not the traditions of their ancestors and in whatever country our lot may be cast we look back upon Jerusalem, and it is this retrospective thought that makes the Jewish religion immortal.

Those who believe in their ancestors perish not. (Great applause.)

Gentlemen, I would not speak to you of the persecutions which have been recommended in Roumania. Were I not also the bearer of good tidings. To the cruel Bratiano has succeeded the still more Coghelniceano, and both have done their best to expel the Jews from the country. A man likewise desired the extermination of the Jews and prevailed upon the king to permit its execution, but the day on which it was to take place saw his own gibbet erected. Though we do not wish the gibbet to any new Haman, still Bratiano has fallen into disgrace. As sure as he fell so sure will Coghelniceano. But it is horrifying to think of the discussion which took place in the Roumanian House of Deputies where two hundred and fifty thousand Jews could not find a single defender, though these horrible words were uttered: Drown them all in the Danube.

Gentlemen, I received a visit a few days ago from Count Hoyos, representing the Austrian ambassador. Replying to our repeated requests his government authorized him to insist more and more energetically with Prince Charles to put an end to these frightful persecutions.

Here is what we ask for: The Roumanian authorities, pretend that they do not persecute the Jews as Jews but as foreigners.

This unheard of declaration is refuted by these words: You persecute none but Jews, and for the matter of that how can you call the Jews established for centuries in Roumania foreigners?

[TO BE CONTINUED.]

When the dove returned to the ark with the olive-leaf in her mouth, she prayed thus: "Lord! Though my food be sweet as honey, let me not be dependent upon the gifts of man. No matter if it be bitter as the olive, so long as I take it from Thy hands, O Lord!"

ADVERSITY is the true school of the mind. Why, says the Talmud, is Israel compared to the olive? Because the olive gives the most oil the more it is pressed; so Israel's virtues have been most developed under the pressure of the greatest national calamities.

RELIGION is the light of the world.

(Von unserem Berliner Correspondenten.)
Ein neuentdecktes hebräisches Stein-
denkmal aus der biblischen Zeit.

(Fortsetzung.)

Ehe wir an die nähere Deutung des Inhalts gehen, schicken wir Einiges zur allgemeinen geschichtlichen Orientierung voraus. Der Fundort der Steinsäule, die Trümmerruine von Dibon, liegt etwa eine Stunde nördlich vom Arnon (jetzt Wadi Mujib), dem ehemaligen Grenzfluß zwischen Israel und Moab, welcher, westwärts dem toten Meere zufließend, die Landschaften an dessen Ostseite in zwei, beinahe gleiche Hälften schied. Auch die kleinere, nördliche Hälfte, das Stammland Rubens, war altmoabitisch. Doch hatten die Israeliten dies nicht den Moabitern selbst, sondern einem früheren Eroberer, dem Ammoniterkönig Sihor abgenommen. Sein und eines anderen, ihm kammverwandten, Königs Reich hatten sie spurlos vernichtet. Dies geschah in jener ihrer ersten Heldenthat, aus welcher einige kurze, frische Liebesklänge uns im 4. Buch Mose (Kap. 21) anfluten. Das Land Moabs selbst, so wie das der anderen, ihnen verwandten Völker, Ammon's und Edom's, hatten sie auf Mose's Geheiß unberührt gelassen. — Nicht lange Zeit nach Josua drang der Moabiterkönig Englon, mit Ammon und Amalek verbündet, bis über den Jordan vor, setzte sich in Jericho fest und ließ die Israeliten 18 Jahre lang. Darnach wird Moab erst wieder unter Saul, zugleich mit Ammon und Edom, ausdrücklich als Feind Israels genannt. König David, der sein Reich bis zum Euphrat ausdehnte, bezwang auch diese drei Völker und machte sie tributpflichtig. Nach Salomo's Tode fielen Moab an Israel, Edom an Juda.

Unsere Inschrift läßt uns nun die neuen That-sachen erkennen, daß bald nach Salomo die israelitische Oberherrschaft über Moab entweder ganz aufhörte, oder wenigstens, wie dies im Orient oft geschieht, sich in einen bloßen Namen und Schein verwandelte, daß sie aber durch Dmri wieder hergestellt wurde, und in ganzer Schärfe bis zu dem Zeitpunkt fortwirkte, in welchem Mesa seine, durch die Siegesfäule gefestigten Thron vollbrachte. Zur Bestimmung dieses Zeitpunktes dienen dann wiederum die hebräischen Königsbücher als Kom-passen für die Inschrift, da in ihnen aufgeführt ist, daß Mesa's Abfall unter Nabata, dem Enkel Dmri's, stattfand. — Was wir aber durch die Siegesfäule Mesa's erfahren, stimmt recht wohl zu unterzeitigen biblischen Nachrichten. Schon seit Jerobeam I., ist die frühe Forderung der Oberherrlichkeit über Moab sehr erklärlich. Dmri da-segen, der Wiederhersteller derselben, war nach allem, was wir von ihm wissen (1. Buch der Könige, Kap. 16, 16—28) ein kräftiger Herrscher. Er wurde als tapferer Heerführer von einer del-gierten philistäischen Stadt von seinen Kriegern zum Könige ausgerufen. Er zeigte sich als un-sichtiger Politiker, indem mit ihm, nach dem vor-sichtigen blutigen Kämpfen die freundliche Stellung Israels zu Juda beginnt, welche auch nach ihm immer behauptet wurde. Und da wo das Buch der Könige am Schlusse des betreffenden Abschnittes wie gewöhnlich auf die ausführlichere Luesenschrift verweist, geschieht dies namentlich auch hinsichtlich der mächtigen Thaten, die Dmri gethan. Unter diesen mächtigen Thaten war also auch die erneute, vollständige Unterwerfung Mo-ab; und er bewirkte dieselbe, der Inschrift zu-folge, dadurch, daß er sich der Stadt Medeba be-mächtigte und sich in derselben festsetzte. So wurde also Moab durch Dmri, von Medeba aus getrieben, welche Stadt in einer früher dem Stamme Ruben zugewiesenen, aber damals schon großentheils wieder von Moabitern besetzten Lan-dschaft lag. Und zu Ehren des Krieges, durch welchen Mesa sich von Israel losriß, ist unser Schriftkmal gefestigt worden.

Von den sachlichen Erklärungen der Inschrift sei hier nur die geographische und geschichtliche Feststellung der Stadt Korcha, die mehrmals in dem Denkmal (in Abschnitt I. und VII.) genannt wird. Nach Abschnitt I. der Inschrift wurde die Siegesfäule in Korcha selbst aufgestellt; dies lag also auf der heutigen Trümmerruine Dibon, welche schon längst mit voller Sicherheit als iden-tisch mit den alten, biblischen Dibon erscheint auf unserer Inschrift zum erstenmal als Moabitische Königsstadt. Aber das war auch schon vorher aus biblischen Stellen zu erfahren, daß sie unter den Städten nördlich des Arnon eine hervorragende Stellung einnahm. Jesaja nennt sie unter die-sen an erster Stelle (Jesaja 15, 2). Da der Zu-sammenhang, in welchem Jeremia's die Stadt an-führt, und die Ausdrücke, die er von derselben gebraucht, lassen deutlich genug durchschimmern, daß er sie als einen Herrscher im Sinne hat. Er beginnt (K. 48, V. 16) eine neue Strophe seiner Weissagung gegen Moab mit den Worten:

Nach ist Moab's Sturz — er kommt!
Und sein Unglück eilet sehr!
Klagt über ihn, alle seine Nachbarn,
Alle, die ihr seinen Namen kennt!
Sprecht, zerbrochen ist das Scepter der Nacht
Der Stadt der Weisheit!

Und nun führt er, in unmittelbarem, engen An-schluß daran die Hauptstadt Dibon unter dem Bilde eines geknechteten Weibes ein:

Siehe aus der Herrlichkeit! sie! im Staube,
Bewölkert, Tochter Dibon!
Denn der Herrwüter Moabs kommt über dich,
Zerfüllt deine Weiten!

Wir wenden uns jetzt zu der interessantesten An-regung, welche dieses hochmerkwürdige Denkmal den Forscher bietet, zu der religionsgeschichtlichen Bedeutung der Inschrift. Jedem Leser werden bei der Inschrift in der Form des Ausdrucks, auch nach der religiösen Seite hin, biblische Reminis-jenzen vor die Seele treten.

(Fortsetzung folgt.)

Benjamin Disraeli.

(Schluß.)

Der Krieger und der Semit sind von demselben Blut und Ursprung; aber als sie ihr Central-land verließen, ward es über sie verhängt, entgegenge-setzten Bahnen zu folgen. Jede Abtheilung der großen Rasse hat einen Theil der doppelten Natur der Menschen entwickelt, die sie, nach allen ihren Wendungen, sich wieder begegneten und durch ihre zwei auserlesenen Familien, die Sellenen und die Hebräer, die Reichthümer ihrer aufgeschauften Weisheit zusammenbrachten und die Civilisation des Menschen sicherten.

Meint man hier nicht Heinrich Heine zu hören, wenn er (in seiner Schrift „Mein Leben“) sagt: „Juden und Christen sind für mich ganz sinnver-wandte Worte, im Gegensatz zu Sellenen.... In dieser Beziehung möchte ich sagen, alle Men-schen sind entweder Juden oder Sellenen....“ So gab es Sellenen in deutschen Predigerfamilien und Juden, die in Äthen geboren und vielleicht von Jesus abstammten. Der Bart macht nicht den Juden oder den Jopf macht nicht den Christen.“ Und darauf wohl möchte sich das beziehen, was Heine, was Disraeli gesagt, wenn nicht darauf, daß es der allernächsten Zukunft Aufgabe sei, diese letzten lächerlichen und erbärmlichen Unterschie-de, diese unglücklichen Reste einer dumpfen und bar-barischen Zeit wegzuhäuten, damit alle die bisher wüthend getrennten sich wiederfinden in jenem schönen, mit dem modernen Bewußtsein erfüllten Heilenismus, jener Weltreligion, jenem Cult der Vernunft und Humanität, in welchem es kein Nazarenenthum mehr giebt, weder mit Bart noch mit Jopf?

Wenn dies als der innerste Kern von Disraeli's neuem Werke erscheint, so hat er sich allerdings wohl gehütet, die Sache so shocking vorzutragen, wie wir es hier gethan. Sein Roman als Roman, als Liebesgeschichte betrachtet, giebt viel mehr in einer Subjektivität der Frauen — der Frau, sollten wir sagen, seiner Frau. Es ist bekannt, wie jät-lich Disraeli an seiner Gemahlin hängt; aber auch, wie viel er ihr verbannt, wie sehr er sich in allen seinen Kämpfen auf ihre Hilfe verlassen konnte und wie oft er aus ihrer Theilnahme und Weisheit Vortheil gezogen hat. Es war sie, der er eines seiner früheren Werke widmete mit den Worten: „Dem strengsten der Kritiker, aber einem vollkommenen Weibe,“ und 1869 bei dem großen Bankett in Edinburgh erklärte er in einer Tischrede seinen Gastfreunden, was er dieser un-vergleichlichen Gattin schulde. Auch in seinem neuen Romane giebt er diesem schönen Gefühle einen Ausdruck. „Ich kenne die Welt nun,“ läßt er seinen Helden sprechen. „Ich habe manche Jertümer begangen und ohne Zweifel manche Thorheiten — habe manche Meinungen angenom-men und manche Meinungen gewechselt; aber einer bin ich treu geblieben, in einer unwandelbar — und das ist meine anerkannte Liebe für dich.“ Und an einer anderen Stelle läßt der Dichter eine Freundin des Helden diesem sagen: „Sie sind so glücklich gewesen, in Ihrer Jugend mit einer bedeutenden Frau bekannt zu werden. Das ent-wickelt alle Kräfte des Mannes und begabt ihn mit tausend Talenten.“

Disraeli hat der Frau, welche ihm in seinen jugendlichen Kämpfen um Ruhm und Macht be-stand, nicht nur den Tribut der Danksagung gebracht; er hat mehr für sie getan — er hat sie zur Poesie in ihrem eigenen Rechte gemacht. Als bei seinem Auscheiden aus dem Amte eines Pre-miers die gnädige Souveränin ihm die Titel und Würden eines Lords anbot, da schlug er es aus für seine Person und nahm es nur an für seine Gemahlin. Doch selbst hinter diesem glorreichen Acte der Galanterie blickt wieder das farfällige Gesicht des kleinen Disraeli mit der Stirnlinie hervor: dieses Gesicht, den Schreck seiner Feinde, wollte er selbst einer Perle eines Gemaltes rothes wollte er sich zu dem feierlichen Schweigen des Oberhauses verurtheilen lassen. Er ließ seine Gemahlin eine Gräfin de Beaconsfield werden; aber er blieb im Unterhause, um auch fernhin — Herrn Gladstone Disposition machen zu können.

Julius Rodenberg.

Man schreibt aus Sankt Petersburg, 11. Juni: Ein hiesiger öffentlicher allgemeiner Kranken-haus, auch Bürgerhospital genannt, lag seit zwei Monaten ein armer Mann, israelitischer Con-sultant, krank. Als die Patientin ihre letzte Stunde gekommen sah, gab sie durch Zeichen und unarti-kulirte Laute zu verstehen, man möge um einige ihrer Glaubensgenossen schicken. Der Spital-ärzner machte sich sofort auf den Weg, und es ge-lang ihm, vier jüdische Frauen aufzutreiben, die sich augenblicklich in's Spital begaben. Dort angekommen, wollten sie sich der Sterbenden näh-ern, wurden aber von einer „Grauen Schreier“, deren Orden die Krankenpflege anvertraut ist, mit den Worten zurückgehalten: „Es ist zu spät, die Kranke ist bereits todt!“ Bald verdrängte sich die Nachricht in der ganzen Stadt, und gelangte auch zur Kenntnis der israelitischen Gemeinde, welche unverzüglich alle Hebel in Bewegung setzte um die Leiche aus dem Spital zu requiriren. Der Bürgermeister ordnete eine strenge Untersuchung an und ließ die Repräsentanten der Stadt zu einer Beratung zusammenrufen; doch es war umsonst. Die einmal vollzogene That ist nicht mehr ungeschehen zu machen. Die Getauften wird heute oder morgen auf dem katholischen Friedhof beer-digt.

— In den Böhmisch-Mährischen Bücher-sammlungen, welche kürzlich in Leipzig zur Auc-tion gekommen sind, befanden sich auch Handschri-ften, unter diesen ein wahrer Juwel, nämlich ein großes Manuscript von Mendelssohn Bartholdy, dessen Laute zu verstehen, man möge um einige ihrer Glaubensgenossen schicken. Der Spital-ärzner machte sich sofort auf den Weg, und es ge-lang ihm, vier jüdische Frauen aufzutreiben, die sich augenblicklich in's Spital begaben. Dort angekommen, wollten sie sich der Sterbenden näh-ern, wurden aber von einer „Grauen Schreier“, deren Orden die Krankenpflege anvertraut ist, mit den Worten zurückgehalten: „Es ist zu spät, die Kranke ist bereits todt!“ Bald verdrängte sich die Nachricht in der ganzen Stadt, und gelangte auch zur Kenntnis der israelitischen Gemeinde, welche unverzüglich alle Hebel in Bewegung setzte um die Leiche aus dem Spital zu requiriren. Der Bürgermeister ordnete eine strenge Untersuchung an und ließ die Repräsentanten der Stadt zu einer Beratung zusammenrufen; doch es war umsonst. Die einmal vollzogene That ist nicht mehr ungeschehen zu machen. Die Getauften wird heute oder morgen auf dem katholischen Friedhof beer-digt.

Constantinopel. — Durch den furchtbaren Brand, welcher dort kurze Zeit her wüthete, und so viel Elend über die Stadt brachte, sind auch viele israelitische Familien obdachlos gewor-den. Von den vielen Synagogen sind jedoch nur zwei niedergebrannt, die Synagogen aus denselben oder getreitet.

\$1,000. CHALLENGE. \$1,000.

RECENTLY A COMMUNICATION APPEARED
in the public press of this city, asserting
(which is no doubt true) that in much of the Candies
sold in this city Terra Alba, or Chalk, was an
ingredient largely used in their composition, and
that the coloring matter was of a poisonous nature.
M. H. GARLAND, 828 Market street, Proprietor
and Manufacturer of the well-known Cocoa
Drops and Aromatic Mastic Candy, desires the
public to know that his Confectioneries and Candies
are perfectly pure and harmless, and he will
give \$1,000 to any Chemist or other person who
can discover Terra Alba or any poisonous substance,
either in the composition or coloring matter,
in any of the Candies or Confectionery manufactured
by him. M. H. GARLAND,
mh25 828 Market street, San Francisco.

home.

Rooms can be had with or without Board.

The Vital Statistics of California

Show that periodical fevers and acute and chronic disorders of the stomach and bowels, are among the most prominent and fatal diseases in this State. Disobedience to the laws of health, as regards diet; the use of pernicious stimulants; and the wear and tear of business excitement, and of "fast life" generally, have much to do with the prevalence of those maladies in our cities; while in the interior and especially in the gold-yielding districts, they are chiefly due to malaria, unwholesome water, and the exposure and privation incident to life in new settlements and mining camps. Now, it is a fact that it is as possible to protect the human system against these maladies, as to guard life and property against the incursions of assassins and thieves. Strengthen the vital organization with HOSTETTER'S STOMACH BITTERS, and it becomes as capable of resisting the active principle of epidemic or endemic disease as a fire-proof safe is of resisting the action of combustion. This is the experience of thousands who have remained unscathed by malarious disorders in the sickliest seasons, while their neighbors, who have neglected to tone and regulate their systems with this unequalled medicinal stimulant, have fallen thick and fast around them. Weakness invites disease. Vigor repels it. Help nature to fight the good fight with infection, whether it be in the air, the water, or the soil, with this matchless preparation—a compound of the rarest vegetable extracts with the purest of all diffusive stimulants.

Time Tests the Merits of all Things. FOR THIRTY YEARS PERRY DAVIS' PAIN-EXPELLER has been tested in every variety of climate, and by almost every nation known to Americans. It is the almost constant companion and inestimable friend of the missionary and the traveler, on sea and land, and no one should travel on our lakes or rivers without it. It is a speedy and safe remedy for burns, scalds, cuts, bruises, wounds and various other injuries, as well as for dysentery, diarrhoea, and bowel complaints generally, and is admirably suited for every race of men on the face of the globe. Be sure and call for and get the genuine Pain-Expeller, as many worthless nostrums are attempted to be sold on the great reputation of this valuable medicine. Directions accompany each bottle. Price—25 cents, 50 cents, and \$1 per bottle. Sold by all Medicine Dealers.

PARTIES residing in the southern part of the city, and wishing to secure a meal in a really first-class Family Restaurant, should not fail to patronize the establishment of Mr. E. F. Swain, 636 Market street. All the delicacies the season affords can always be had there, while the attention lavished on the table is always supplied with all delicacies the season affords.

PHOTOGRAPHING.—We verily believe that Messrs. Bradley and Rolofson are entitled not only to the confidence, but the gratitude of this entire community for the many improvements made in the art of photographing. They are pre-eminently the leaders of the art in San Francisco, and see their "Rustic" and Marine Photographs. If you want a good picture go to Bradley & Rolofson.

—Merchants, visiting this city, should not fail to secure rooms at the "Cosmopolitan Hotel," S. W. corner Bush and Sansome streets. This mammoth establishment can now be said to be at the head of first class hotels in this city. Its rooms are large and lofty, and fitted up with unsurpassable elegance, while the table is always supplied with all delicacies the season affords.

TUCKER & Co., Nos. 101 and 103 Montgomery street, have just received the largest and finest assortment of Watches, Watch Chains, Jewelry, Diamonds, Silverware, Moss Agate, Quartz Jewelry, etc., ever offered for sale in the city, and at greatly reduced prices.

CLOTHING never was sold so cheap as S. Figel is now selling his fine stock of men's and boys' clothing, furnishing goods, etc. All kinds of clothing made to order—a perfect fit being guaranteed in all cases—and prices lower than ever, at No. 3 Montgomery street, Masonic Temple.

WHERE to buy good boots and shoes is an important question. We can recommend all in want of boots, shoes, gaiters, etc., of the very best quality, and at lowest rates, the splendid establishment of Messrs. M. Rosenblatt & Bro., 310 Kearny street. Don't fail to give them a call.

—Wir machen unsere Referenzen ganz besonders darauf aufmerksam, dass sie bei Tasse u. Co., 9 Montgomery Straße, alle Arten Dry Goods besser und billiger, als bei irgend einem andern Hause billiger Stadt kaufen können.

—Die beste gratis Abend-Unterhaltung gewährt die "Victoria-Palast", S. W. Ecke von Kearny und Sacramento Straßen durch ihre Vorstellungen von Sängern und Tänzern. Für gute Getränke ist gleichfalls gesorgt.

—Wir machen Hausfrauen darauf aufmerksam, dass sie in der Intelligenz Office von D'Brien & Ward, Ecke Montgomery und Clay Straßen, stets die besten Dienstboten jeder Art finden.

Photographien.—Von allen Photographien, die uns bis jetzt vor Augen gekommen sind, müssen wir sagen, die die Herren Brown & Otto, 28 Dritte Straße, verfertigen, den Preis zuerzennen, da dieselben in jeder Hinsicht auf die Beste ausgeführt sind. Trotzdem sind die Preise für dieselben viel niedriger, als sie gewöhnlich gefordert werden.

—All kinds of carriages and wagons will be made in the best styles at very reasonable rates, by A. Polson, carriage-maker, 531 California street.

NEW STORE.—Will & Fink have opened at No. 140 Montgomery street, a new branch store, with the finest stock of Cutlery in this city.

Guter Kaffee. Die Eagle Coffee Mills No. 520 Front Straße, Emil Reuen Eigentümer, liefert einen ausgezeichneten Kaffee, welcher alle andere billigen Fabrikate bedeutend übertrifft. Es ist ein gewaltiger Syrrum anzunehmen dass nur der feinsten Kaffee gut sei. Deutscher Kaffee wie er bei Reuen fabriziert wird, übertrifft alle französischen Fabrikate, und raten wir daher unsere Leser, den Kaffee der Eagle Mills zu probieren, indem wir überzeugt sind, dass wenn sie denselben erst einmal versucht haben, sie ihn gewiss jedem andern vorziehen werden.

Immense Establishment!!

THE LARGEST AND FINEST

Dress-Making Establishment

ON THE PACIFIC COAST.

CARL LIMARUTI

TAKES PLEASURE IN ANNOUNCING TO his LADY CUSTOMERS and the public in general, that he will shortly open an IMMENSE

LADIES' DRESS-MAKING

ESTABLISHMENT.

No. 105 Post street,

NEAR KEARNY.

Having Unsurpassed Facilities and Experience in his business, the undersigned feels confident to please and satisfy all his customers.

CARL LIMARUTI.

This Remedy does not simply relieve for a short time, but it produces perfect and permanent cures of the worst cases of Chronic Nasal Catarrh, and I will pay \$500 reward for a case that I cannot cure. "Cold in the head," and Catarrh of the Headache are cured with a few applications. If you have a discharge from the nose, offensive or otherwise, stopping up of the nose at times, partial loss of the sense of smell, taste or hearing, eyes watering or weak, feel dull, have pain or pressure in the head, you may rest assured that you have Catarrh. Thousands annually, without manifesting half of the above symptoms, terminate in Consumption and end in the grave. No disease is so common, more deceptive or less understood by physicians. I will send my pamphlet on Catarrh to any address free. Dr. Sage's Catarrh Remedy is now

SOLD BY MOST DRUGGISTS IN ALL PARTS OF THE WORLD.

Price 50 cents. Sent by mail, post-paid, on receipt of 60 cents, or four packages for two dollars. Beware of counterfeits and worthless imitations. See that my private Stamp, which is a positive guarantee of genuineness, is upon the outside wrapper. Remember that this private Stamp, issued by the United States Government expressly for stamping my medicines, has my portrait, name and address, and the words "U. S. Certificate of Genuineness" engraved upon it, and need not be mistaken. Don't be swindled by travelers and others, representing themselves as Dr. Sage; I am the only man now living that has the knowledge and right to manufacture the genuine Dr. Sage's Catarrh Remedy, and I never travel to sell this medicine.

R. V. PIERCE, M. D.

Ayer's Cherry Pectoral,

For Diseases of the Throat and Lungs,

such as Coughs, Colds, Whooping

Cough, Bronchitis, Asthma,

and Consumption.

Probably never before in the whole history of

medicine, has anything won so widely and so deeply

upon the confidence of mankind, as this excellent

remedy for pulmonary complaints. Through a long

series of years, and among most of the races of

men it has risen higher and higher in their estima-

tion, as it has become better known. Its uniform

character and power to cure the various affections

of the lungs and throat, have made it known as a re-

minder of disease and to young children, it is at

the same time the most effectual remedy that can

be given for incipient consumption, and the dan-

gerous affections of the throat and lungs. As a

provision against sudden attacks of Croup, it should

be kept on hand in every family, and indeed as all

are sometimes subject to colds and coughs, all

should be provided with this antidote for them.

Although settled Consumption is thought in-

curable, still great numbers of cases where the dis-

ease seemed settled, have been completely cured,

and the patient restored to sound health by the

Cherry Pectoral. So complete is its mastery

over the disorders of the Lungs and Throat, that

the most obstinate of them yield to it. When noth-

ing else could reach them, under the Cherry Pec-

toral they subside and disappear.

Singers and Public Speakers find great pro-

tection from it.

Asthma is always relieved and often wholly

cured by it.

Bronchitis is generally cured by taking the

Cherry Pectoral in small and frequent doses.

So generally are its virtues known that we need

not publish the certificates of them here, or do more

than assure the public that its qualities are fully

maintained.

Ayer's Ague Cure,

For Fever and Ague, Intermittent Fever,

Chills, Fever, Biliousness, Dyspepsia, Dumb

Ague, Periodical or Bilious Fever, &c.,

and indeed all the affections which arise

from malarious, marsh, or miasmatic

poisons.

As its name implies, it does Cure, and does not

fail. Containing neither Arsenic, Quinine, Bismuth,

Zinc, nor any other mineral or poisonous substance

whatever, it in no wise injures any patient. The

number and importance of its cures in the ague dis-

tricts, are literally beyond account, and we believe

without a parallel in the history of Ague medicine.

Our pride is gratified by the acknowledgments we

receive of the radical cures effected in obstinate

cases, and where other remedies had wholly failed.

Unaccompanied persons, either resident in, or

travelling through miasmatic localities, will be pro-

protected by taking the AGUE CURE daily.

For Liver Complaints, arising from torpidity

of the Liver, it is an excellent remedy, stimulating

the Liver into healthy activity.

For Bile Disorders and Liver Complaints, it is

an excellent remedy, producing many truly re-

markable cures, where other medicines had failed.

Prepared by Dr. J. C. AYER & Co., Practical

and Analytical Chemists, Lowell, Mass., and sold

all round the world.

Unsere Freunde und Bekannten zur Nachricht, das wir seit
dem 1. März d. J., dem alten Platz gegenüber, ein neues
großes und prächtiges Hotel eröffnet haben. Das
Haus ist zweigeschossig, mit allen modernen Einrichtungen,
wie z. B. elektrisches Licht, Wasser, Gas, etc., und ist
für die Aufnahme von Gästen in jeder Hinsicht
vorbereitet. Die Preise sind sehr billig und werden
den Umständen entsprechend sein. Wir hoffen, dass
unsere Gäste zufrieden sein werden.
Der einzige lebende Astrolog!

Der einzige lebende Astrolog!
Prof. Cohen ist seiner natürlichen Begabung
wegen in der Kunst, genaue und sichere Voraussagen
über die Vergangenheit, Gegenwart und Zukunft zu geben,
und zwar über irgend einen beliebigen Gegenstand, wodurch
nicht allein seine Vermutungen bestätigt werden, sondern auch
die Zukunft der Welt, der Nationen, der Städte, etc., etc.
in der Hand zu haben. Die Kunst ist ihm angeboren, und
er hat sie durch seine eigenen Erfahrungen und Studien
perfektioniert. Er hat schon viele Tausende von Menschen
in jeder Hinsicht beraten und ihnen die Zukunft offenbart.
Seine Voraussagen sind so genau, dass sie oft als Wunder
betrachtet werden. Er hat schon viele Tausende von Menschen
in jeder Hinsicht beraten und ihnen die Zukunft offenbart.
Seine Voraussagen sind so genau, dass sie oft als Wunder
betrachtet werden.

Bekanntmachung.
Indem ich meinen Freunden sowie dem geehrten Publikum
für die mir so zahlreich zu Theil gewordene Gunst dank
sage, erlaube ich mir hierdurch anzuzeigen, das ich mich unter
dem Namen
Gold's Saloon und Restaurant,
bekannte Gelächter an die 33. Michael Deutsch & Co.
übertragen habe und bitte das mir bisher gesandte Geschäfte
und fernerhin meinen Nachfolgern gutkommen zu lassen.
Abkündigung
San Francisco, den 15. Juni 1870. Henry Gold.

(Fortsetzung.)

Versprich meine Tochter — mein theures
Kind, in der harten Zeit der Prüfung und
Verfolgung, wenn wir vielleicht — und der
Vater preste krampfhaft die Tochter an seine
Brust, sie mit einer Thräne benetzend —
wenn wir von einander gerissen würden,
wenn der Tyrann verführte dich zu umfassen,
dich in die Arme seiner Gewalt zu drücken —
versprich mir, allen Verlockungen und Ver-
führungen unerschütterlich zu widerstehen!

O, bis zum letzten Hauche, Vater, so wahr
mir Gott helfe! rief das Mädchen, ihre
Rechte erhebend.
Gut, ich bin ruhig, mein Kind.
Nun, welcher Art sind unsere Hoffnungen
auf Hilfe?

Gott im Himmel, Josef!
Du erschrickst mein Kind — ich dachte,
das du ihn liebtest?

Wie ich den Baron hasse, Vater.
In der That? Und als er hier war —
als er um dich warb — als er drängte, mich
und dich mit Anträgen bestürzte, — da
warst du so kühl, ich frug dich, du wuschst
aus?

Hätte ich — als ich die Kälte sah, mit der
du Josef begegnet, als ich hörte, wie Josef
von dir die Erlaubnis des ihm verpfändeten
Wortes vergesslich forderte und du ihn mied-
dest, als er dich suchte — hätte ich da von
dir den Mann erbettelt, oder deine alten
Tage trüben sollen? Im Innern des Her-
zens that es mir weh, aber ich hüthete mich
durch eine Klage, durch eine Miene, das zu
verrathen, was ich aus Liebe zu dir verheim-
lichen wollte.

Der alte Mann läßt den Kopf sinken.
Gottes Strafe, sagte er, kopfschüttelnd
nach einer längeren Pause, Gottes Strafe!
Als Ihr Kinder wartet, als du und Josef
vor der Thüre spielten, als Ihr mit einan-
der aufwuchset, wie zwei Tauben, da sagte
mir deine seltsame Mutter: Die werden einst
ein Paar werden. Später jag das Unglück
bei unserer Familie ein, wir verloren unser
Geld, Josef's Eltern verarmten; der Knabe,
fast noch Kind, wurde zum Militär ajournirt
und mußten flüchten, um nicht bösen Gläu-
bigern in die Hand zu fallen. Ich öffnete
mir den Weg nach Norden in eine von Ju-
den noch gar nicht bewohnte Gegend; ich
dachte mir, Gott ist überall und wir können
wo immer zu ihm beten. Deine kranke
Mutter folgte mir, du warst acht Jahre alt.
Von Allem entblößt, müde und halb verhung-
ert, schleppte ich mich in das Schloß ba-
hin. Jetzt nistest dort ein Raubthier,
damals wohnte drin ein guter Mensch. Ehe
noch meine Lebensgeschichte beendet und die
Thürnen deiner Mutter betradet waren,
wies er uns diese Schenke, damals allerdings
eine Baracke, Garten und Feld zu den mei-
nen freundschaftlichen Bedingnissen an. Mein
Weib sah nicht mehr die alte Hütte dem
neuen Hause weichen und die Scheunen sich
füllen mit den Früchten selbstbehaltenen Fel-
des, sie stand, uns ihren Segen zurücklassend.
Und Gott hat sie erhört. Unser Wohlstand
wuchs, die Räume dehnten, die Ställe und
die Tennen füllten sich. Die Besitzer dieses
Gutes wechselten und der neue Herr schien
von seinem Vorgänger für uns Wohlwollen
geerbt zu haben. Ein Tyrann gegen alle
Walt, war er für uns ein Gönner. Ach, ich
ahnte nicht, daß er der Tochter wegen, dem
Vater hold sei, so lange der Wolf bei uns
im Schafpelze erschien. Da tritt von Nie-
mand mehr erwartet, von Keinem mehr er-
kannt, Josef bei uns ein. Wer hätte in ihm
das jüdische Jüngelchen von ehemals erkennen
können, in langen Festschle, mit den Fü-
ßen, den rothigen Wangen und den leuchtend
glühenden Augen? Das weitergebrachte
Gesicht mit Narben, die Brust mit Medaillen
bedeckt, die Stimme und die Sprache, wie
ausgewechselt, das ganze Wesen vollstän-
dig anders, trat der Mann nach einer fünf-
zigjährigen Abwesenheit bei uns ein, auf
ein Versprechen pothend, das Zeit und Ver-
hältnisse längst verwischt. Hätte ich da,
ohne von dir ein Wort zu hören, ja nur ein
Namen zu vernahmen, dich diesem Man-
ne zuführen sollen, der, Gott vergebte es
mir, weder schön, noch reich ist? Ich habe
mir andere Pläne gebauet und wollte dir
einen ganz andern Mann ausfinden. Nun
sehe, ich, daß Gott es anders gewollt. Ich
beuge mich vor ihm und will nicht murren.
Schützen kann uns Josef nicht, aber süßen
kann er uns, er kann meinem Alter einen
Theil der Bürde und meiner Jugend einen
Theil der Sorge abnehmen, er kann, wenn
er den Willen hat, der Stab sein, auf den
wir uns jetzt in unserm Elend lehnen kön-
nen.

Früher, als die Röhre des Morgens am
Himmel, erschienen Leute vor dem Gathaus
ein ungestümes Klopfen weckte die Bewohner
aus einem kurzen, schweren Schlafes. Jacob
erhob sich; die ersten Strahlen dämmerten
im Zimmer, er sah sich drin, wie der Ver-
urtheilte, den die Fenster aus seiner Felle
abgehoben kommen, ein tiefer Geufzer klang
wie die Eruption einer lavaglutenden Brunn-
en; er wollte seine Tochter wecken, doch er
sah, daß sie schlief, ihren Schlaf zu süßen, stand
sie schon vor ihm bleich, doch ruhig.
Man kommt! sagte er, es ist ein trauriger
Morgen!

Ich wußte wohl, daß der Baron nie bei
der Drohung stehen bleibt.
Doch du denn gehst, daß er da stehen
bleibe?
Jacob tritt an's Fenster, im Auge eine

Thräne zu zertheilen, während Baschinka
einer alten Magd befehl, die Hausthür zu
öffnen.

Halt! ruft der Alte und eilt an einen
Kasten, den er aufreißt und dessen theilwei-
sen Inhalt er in seine Taschen schiebt.
Halt Kind, unsere Reisezeitung! Wenn ich
Alles lassen muß, was mir der Himmel gab,
die gefüllte Scheuer, die Herde, Feld und
Garten, die ich aus der Wildnis rief, die
Mühle, die ich gebauet und alle die Früchte
langer, mühevoller Arbeit, so will ich doch
das wenige Geld retten, das ich verwahrt,
und das uns in nächster Zukunft vor Man-
gel schützen soll.

Und als nun die Thüre geöffnet wird,
drängt sich ein ganzes Rudel von Bedienten
ein und aus demselben, den Ausdruck kün-
stlicher Bosheit in Blick und Miene, der Herr
selbst.

Beide weichen sie zurück, der alte Mann
und seine Tochter, beim Anblick dieses Men-
schen, ihres Verfolgers, ihres Richters und
ihres Hainers. Dieser nähert sich dem
Greise und seine Hand auf dessen Schulter
legend, sagt er ihm:

Die Stunde der Entscheidung hat geschla-
gen. Ich gebe Euch keine Minute länger.
Es gilt Leben oder Tod, oder was noch
schlimmer, Wohlstand oder Armuth. Schaut
Euch um in diesem beglücklichen Hause, in den
Ställen, den Scheunen — ein Wink von mir
und die Thüre schließt sich für immer hinter
Euch; Ihr steht draußen ein Bettler auf
freiem Boden, ohne Obdach und ohne zu
wissen, wo Ihr Euer Haupt hinlegt. Eure
Tochter ist zu fromm und gut, um ihren
Vater Preis zu geben, den alten Mann zu
opfern, der nach einem langen Leben der
Kämpfe und der Arbeit sich eine beglückte
Erntzeit gesammelt, die er nun aufgeben und
an der Reize des Lebens von Neuem anfan-
gen müßte. Ihre Baschinka soll wie eine
Königin in ihrem Palaste, in meinem Schloße
wohnen, sie soll Alles haben, was ein Mäd-
chenherz erfreuen und die Eitelkeit befriedigen
kann. Und wenn sie später heimkehrt in's Vater-
haus, reich beschenkt und ausgestattet, als Erb-
in der Besitztümer, die der Vater alsdann
sein nennen würde, so wird sie wahrhaftig
noch einen Juden finden, der sie gerne zur
Frau nimmt und Sie brauchen sich wirklich
darob kein Haar bleichen lassen.

Baschinka schnell, in's Herz getroffen,
auf.

Fort, Vater, fort! ruft sie. Mag über
uns kommen, was es will — lieber draußen
betteln, als im Schloße schwebeln!

Und, wie sie, ihren Vater zur Thüre fort-
ziehend, dieselbe öffnen will, fühlt sie sich
von kräftiger Hand gepackt und blickt in das
vor Wuth flammende Gesicht ihres Peini-
gers.

Halt! schreit er und seine Stimme und
sein ganzer Körper zittert vor Aufregung.
Ihr dürft nicht das Zimmer verlassen, bis
Ihr nicht durchsucht werdet, ob Ihr nicht was
gestohlen. Hier ist alles mein, jeder Nagel
an der Wand, jeder Nagel und jeder Faden
in den Kisten — Ihr kamet als Bettler und
werdet das Dorf als Bettler verlassen.

Und auf ein gegebenes Zeichen werden
Vater und Tochter von rohen Händen ge-
packt, durchwühlt und ihnen Alles genom-
men, was sie aus dem Schloßruhe des
Lebens mit sich retten wollten. Nichts blieb
den Armen zurück, als eben die Kleider am
Leibe — ihre Armuth!

Hinter ihnen fällt die schwere Eisentür
dröhnend in's Schloß, sie stehen draußen,
der alte Mann und das junge Mädchen hilf-
los und obdachlos, in der Tasche keine Kopeke,
im Herzen keine Hoffnung — wohin sich
wenden? Die Bauern dieses Dorfes sind
arm, in weiter Ferne liegt eines Freun-
des, das sich gütlich den Ausgestoßenen öf-
fen würde. Sie blicken einander fragend
an — die weite Welt hat kein Plätzchen für
sie — gestern noch so glücklich im Besitze von
Allem, — heute dem Menschen das Leben an-
nehmlich machen und ihn der Sorge um den
kommenden Tag entheben kann; heute hei-
mathlos und um die nächste Stunde bang.

Ein leerer Wagen rennt den Weg vorbei;
das Mädchen hält den Fußfänger an. Sie
kennt ihn.

Wißt du uns nach Woloslaw mitnehmen?
fragt sie und an ihren Vater gewendet, fügt
sie hinzu: in zwei Stunden sind wir unter
andern Menschen und geborgen.

Gerzich gerue, erwiderte der Fuhrmann
und schwingt sich vom Bock, um dem schönen
Kinde zu helfen.

Der alte Mann hält es zurück. Baschinka
sagt er, heute ist Sabbath.

Das Mädchen weicht einen Schritt zurück
der Wagen rollt fort, die beiden Armen al-
lein lassend.

Was beginnen?
Wie das Geheiß des Trostes, steigt jetzt
die Gestalt des greisen Priesters vor dem
alten Manne auf. Dort liegt hart an dem
Gotteshaufe die friedliche Wohnung seines
würdigen Dieners — die einzige Zuflucht-
stätte die sich ihnen öffnen und wohin ihnen
die Barmherzigkeit ihres Verfolgers nicht folgen
würde.

Und in der That hat noch Keiner vergeb-
lich an jener Thüre geklopft, der Hilfe be-
durfte; für Jeden gab es stets einen Rath,
ein Wort des Trostes, einen Bissen Brod zu
holen.

Ein Bissen Brod! Vor Minuten noch
reich — wühlt jetzt der Hunger, ein uner-
bittlicher Mahrer, in den leeren Eingeweiden
der beiden armen Leute!

Schau, wie die Diebe zu ihrem nächtlichen
Handwerk, schleichen sie zu jenem kleinen,
halbdunkeln Hause, auf das sie jetzt ihre
einzige Hoffnung setzen und eingedellt des
schönen Gebotes der Nächstenliebe, das man
so oft im Munde und so selten im Herzen
trägt, empfängt der Pope die Unglücklichen
mit jener offenen Herzlichkeit, mit jener in-
nigen Theilnahme, die sich wie Balsam auf
ihre wundete Herzen legen. Hier fanden sie
ein Asyl für mehrere Tage; von hier verjuch-
ten sie das eiserne Herz ihres Räubers zu
erweichen, von hier aus lugten sie thranen-
schweren Blickes hinüber auf ihr verdorrtes
Haus; von hier schickten sie ihre Gebete zum

Deutsche Apotheke
von

SAN FRANCISCO.

R. H. McDONALD & CO.
J. WALKER'S
VINEGAR BITTERS.
THE GREAT
MEDICAL DISCOVERY
DR. J. WALKER'S CALIFORNIA
VINEGAR BITTERS.

MORE THAN 500,000 PERSONS bear testimony to their Wonderful Curative Effects.

WHAT ARE THEY?

They are not a vile FANCY DRINK, made of Poor Rum, Whiskey, Proof Spirits, and Refuse Liquors, doctored, spiced, and sweetened to please the taste, called "Tonic," "Appetizer," "Restorative," &c. They are a true Modest, made from the Native Roots and Herbs of California, and are a perfect and safe remedy for all ailments of the system, carrying off all poisons, and restoring the blood to a healthy condition. No person can take these Bitters according to directions and remain long unwell.

FOR FEMALE COMPLAINTS, whether in young or old, married or single, at the dawn of womanhood or in the decline of life, these Tonic Bitters display so decided an influence that a marked improvement is soon perceptible in the health of the patient. PAIN, TAPES, and other ailments, lurking in the system of so many thousands, are effectually destroyed and removed.

They are a Gentle Purgative as well as a Tonic. For Liver, and all the Visceral Organs. For Inflammation and Chronic Rheumatism and Gout. For Dyspepsia or Indigestion, Biliousness, Headaches, and Insomniacal Fevers, Diseases of the Blood, these Bitters have been most successful. Such Diseases are caused by Vitiated Blood, which is generally produced by derangement of the Digestive Organs.

Cleanse the Vitiated Blood whenever you find its impurities bursting through the skin in Pimples, Eruptions or Sores; cleanse it when it makes the head and stomach feel heavy; cleanse it when it makes the blood and your feelings tell you when you find the blood pure and the health of the system will follow.

Send for a circular.

SAN FRANCISCO.

Himmel, der über Sie eine schwere Prüfung
verhängt, auf welcher Sie sicher erliegen!

Und er erbarmte sich über Sie!

In der Stille des Dorfes schlägt der Ton
einer Glocke, der immer näher kommt, bis
eine von drei Pferden rasch gezogen in
Staubwolken gehüllte Kutsche vor dem
Birthshaus hält. Bergleich verflucht der
Fremde die Thür, das Thor, klopft er an
die Scheiben der Fenster, ruft er, immer
ängstlicher werdend, die Namen der früheren
Bewohner, schaut er sich nach lebenden Wesen
um, die er befragen könnte. Der kalte
Schweiß steht ihm auf der Stirne, er kann
sich kaum halten — hier ist ein Verbrecher
oder ein Unglück geschehen, denkt er.

Eine Bäuerin steigt über den Zaun des
Gartens. Der Fremde tritt auf sie zu un-
geheim zu, daß sie erschrocken aufschreit.

Wo sind die Leute von da drinnen?

Dort! das Weib deutet auf das Haus an
der Kirche und entläßt.

Der Mann holt tief Athem und ruft
Herr selber zu werden, dann eilt er
dem Hause zu.

Was für ein Wiedersehen! Gottes Rath-
schlüsse sind tief und verborgen! Der Mann
der getränkt und gedemüthigt mit verlegtem
Herzen und vernichteten Hoffnungen die Ge-
samte verließ, auf die er das Glück seiner
Zukunft setz — erscheint ihm jetzt als retten-
der Engel, als ein Stern in der Nacht ihres
finsternen Grammes, an ihn wenden sich ihre
Hoffnungen empor, mit ihm fällt ein Strahl
in ihr schwarz umdüstertes Dasein.

Ein herzliches Willkommen, Thränen, Hän-
drückungen, Ausdrücke der Wuth
und Schwirre. Der alte Geistliche steht da-
bei und weidet sich an der Familienzene; sie
ist sein Werk, ein Werk des Friedens und
der Versöhnung. Als diese Unglücklichen
unter der Schwere des über sie eingebrachte-
nen Witzgeheißes erliegen wollten, warf er
ihnen das Kettungsseil zu und zog sie an's
Gestade. Hier stehen sie nun wartend, was
da kommen werde.

Josef glüht vor Wuth, als er die Ereig-
nisse der letzten Tage, erfährt, seine Augen
rollen, seine Lippen zucken, seine Faust be-
ben, er konnte es nicht auf seinem Sitze
aushalten und mißt mit langen Schritten
das Zimmer.

Ich werde hingehen, ruft er endlich.
Wohin?

In's Schloß.

Baschinta steht rasch von ihrem Sitze auf
und ihre Hand auf die Schulter des Mannes
legend, dessen Energie sie erschreckt, sagt sie ihm:

Du wirst nicht hingehen, jetzt nicht, ich be-
schwöre dich.

Sie hat Recht, fügt der Geistliche hinzu,
zuerst muß der Mensch sich selbst beherrschen
ehe er Einfluß über Andere gewinnen will.

Gut, ich will warten, versetzte Josef, in
einem Stuhl sitzend, obgleich der Boden
unter den Füßen, und das Herz im Leibe
brennt! Gibt es denn kein Recht in Rus-
land? Darf man diese vornehmen Leute denn
so ganz willkürlich im Volke haufen, als
wenn wir nur eine Herde Zugvögel wären?

Ich war Soldat, habe mich an Disziplin
gewöhnt, habe den Unterschied des Ranges
respectiv gelernt, aber die Vorgelegten
sind durch Geheiß gebunden, ihrer Willkür
sind Schranken gesetzt. So ein Dorfmann
aber kann uns das Gesetz vom Leibe schin-
den, das Wort aus den Knochen jagen und
wir schweigen! — Wenn es der Zar wüßte,
wie viel Unglück und Leid Menschenleben
auf den weiten Ebenen seines Landes durch
die Fürtreite seines Kleinknechts zertreten
werden, er würde der Knechts ein Ende
machen und die enterbten Menschen, welche
mit ihrem Schweiße und ihrem Blute einen
fremden Boden düngen, auf dem sie darben,
frei geben!

Gott ist hoch und der Zar ist weit! sagt
der alte Geistliche. Ja, wenn man sprechen
dürfte und wenn man oben im goldenen Pa-
last des gütigen Zar geföhrt würde! — Es
wird noch die Zeit kommen, wann man uns
Sprache und Gehör geben wird, wo die Be-
drückten aufsteigen und ihre Bedrückung ver-
stummen werden, wo die armen Leibeigenen
die Scholle ihr eigen nennen dürfen, die sie
jetzt, wie die Ackerknechte bebauen, hungern,
gepeitscht, zu Tode gehet, wo im weiten
russischen Reich fünfzigtausend Millionen
zu Thieren degradirte Menschen entsetzt
werden. Der Absolutismus der großen und
kleinen Herren ist angefaßt — er wird fal-
len, mit ihm stürzt alsdann das Zeitalter
der Knechtschaft und die Herrschaft der Kne-
chte. Die steifen Schranken, welche jetzt die
Schichten der Gesellschaft so streng sonder-
n, werden dem Drucke nachgeben und die Ge-
sellschaft wird in eine große Masse zusam-
menfließen. Ich erlebe es nicht, aber ich
werde im Grabe darob jauchzen und mein
Geist diese Hütten besuchen, die dann von
einem glücklichen Geschlechte bewohnt sein
werden!

Nach einer fieberhaft aufgeregten Nacht,
lang wie die bange Erwartung, erhob sich
Josef vom Lager, kleidete sich in seinen
besten Staat und nach einem kleinen Imbiß
begab er sich von den Segenswünschen des
würdigen Geistlichen und den beiden bei
dem Erfolg seiner Audienz beim Guts-
herrscher zunächst interessirten Personen in's Schloß.

Ein Haufen mühsamer Documente aus dem
Stande der Leibeigenen lagerten vor dem
großen, plumpen Hause und unterhielten sich
damit die Hände auf vorübergehende Bau-
ern, welche weniger glücklich als sie, an die
schwere Arbeit gingen und an der Resignation
ihres Herrn entböhnten Daseins vorüber-
saßen zu gehen. Die Bestien waren auf die
armen Bauern wie abgerichtet und schienen
es zu wissen, daß sie ihnen die Fesseln und
die Haut vom Leibe ungestraft schinden dür-
fen. Je lauter die Geängstigten schrien,
desto heller und toller erschall das Lachen
der rauhen Kerle, welche in einer durstigen
Klosterküche saßen.

Josef's Erscheinung, dessen feste martiali-
sche Haltung und strenger Gesichtsausdruck
den Gefindet imponirten, machte diesen fan-
tastischen Scherzen ein Ende.

Ist der Herr Baron Gospodow schon zu
sprechen? fragte er die Thürhüter.

Das ist oben zu fragen, Herr, im Kor-
ridor links.

Josef stieg langsam hinauf. Oben an-
gekommen, blieb er eine Weile stehen, um
seine Gedanken zu ordnen und zu recapituliren,
was er dem Tyrannen sagen wollte, um
sein Herz zu erweichen und seinen Sinn um-
zuwenden. Er wußte nur zu wohl, daß
von diesem Besuche und dieser Unterredung
die Zukunft seiner Angehörigen abhängen und
weldem einem Menschen er gegenübertreten
soll.

Ein Diener lauerte nach Hundstunde vor
der Thürschwelle und grüßte den Kommen-
den entgegen. Dieser legte, um raschen Ein-
lass zu gewinnen, seine stolze Miene an.

Herr zu Haus?

Der Sklave nickte und schob sich ein we-
nig zur Seite.

Josef trat ein.

Das erste Zimmer war leer, im zweiten
saß der Baron, den Rücken zur Thür, vor
einem Spieltische und übte sich im Karten-
spielen. Heben und Geben, nach Estamo-
teurweise. Durch das Klopfen aufgeschreckt
erhob er sich rasch von seinem Sitze, den
Fremden musterte. Ein Moment und Beide
haben sich erkannt — Beide wichen sie be-
stürzt zurück. — Beide stießen sie einen Auf-
schrei aus — der Eine stürzte sich
auf den Tisch in der Mitte des Zimmers,
der Andere weicht bis zur Thür zurück; es
scheint unter Beiden der Boden zu wanken.
Es herrscht eine minutenlange peinliche
Paus.

Der Jude ist der Erste, der seine Gei-
steszugewandtheit wieder erlangt. Mit der
Schnelligkeit des Gedankens hat er seine
Kombination gemacht, die Situation über-
blickt und seinen Handlungsplan entworfen.
Bevor sich der Gegner aufrichtet, steht er ge-
richtet und kampfbereit.

Gospodin Volkannik — beginnt er.

Wie ein Dolchstoß traf das Wort den
Mann; er richtete sich seiner ganzen Länge
nach auf, um abzuweichen; seine Glieder ver-
rückten seinen Kampf.

Sie irren sich an mir, ruft er endlich, wer
sind Sie und was wollen Sie?

Josef war ganz ruhig geworden und fast,
wie die selbstbewußte Ueberlegenheit.

Ich bin ein verabschiedeter Unteroffizier
des siebenen Volhynischen Kosakenregiments
und wollte meinen Dristen begrüßen, erwid-
ert er.

Wer ist hier Ihr Obrist? schrie der
Gutsheer.

Herr Roman Wiskomitsch Konopof.

So ist er dich zu allen Teufeln, bei denen
du einen Roman Konopof finden dürftest.
Hier wohnt und herrscht Baron Philipp Gos-
podow, Grundherr von Wilatin.

Herr, erwidert Josef mit aller Ruhe, ich
erkenne in Ihnen meinen ehemaligen Dri-
sten um so gewisser, als Sie eben mit der
altgewohnten Zerknirschtheit verfahren haben,
wer Sie eigentlich sind und sich für das hal-
ten, was Sie nicht sind, gerade wie jener
Zerknirte, der in eine fremde Wohnung
tretend und in den fremden Schlafrock
schlüpfend, sich zu Hause glaubt und den
wirklichen Hausherrn als einen Eindringling
oder Dieb behandelt, in der vollkommenen
Ueberzeugung, er sei in seiner eigenen Be-
hausung, in seinem wirklichen Rechte. Aus
purer Zerknirtheit pflegten Sie auch, ent-
setzt ich mich, so häufig beim Worte mit den
Offizieren die Karten zu verwechseln.

Der Gutsheer ist erpöckelt geworden und
richtete seine Augen auf den ihm in vollkommener
Ruhe gegenüberstehenden Menschen, als
wenn er ihn durch sie erschauen wollte. Je-
ner aber fuhr fort:

Aus purer Zerknirtheit pflegten Sie auch
so häufig auf die Zahlung der Löhne an
ihre Soldaten zu vergessen und haben Leute
in der Befolgungsdienst mitlaufen lassen,
die längst gestorben, entlassen, oder bestritt
waren. Aus purer Zerknirtheit schossen
Sie auf den jungen Grafen Stanislaus Ho-
recki, der Sie wegen einiger Zerknirtheiten
im Halbvolkspiele öffentlich beschimpfte, die
Pistole im Querschnitt, ab, ehe Jener sich noch
zum Kampfe anschickte, und als Sie entsetzt
sind, nur der Strafe für diesen Mord zu-
entgehen, nahmen Sie aus purer Vergess-
lichkeit die Regimentstafel mit und spielten
jetzt im fernen Norden den Gutsheer an
den Herrn Baron.

Gospodow hatte jetzt das Aussehen eines
Rasenden. Gleich der Tigerfaule stand er
gekrümmt da, beide Hände rückwärts auf
den Tisch gestemmt, als wollte er sich auf
seine Beute stürzen.

Die Augen hingen ihm aus den Höhlen
und schienen den geeigneten Moment oder
die geeignete Waffe zu suchen, den Feind zu
vernichten, der den Wuth hatte, den Löwen
in seiner Höhle aufzuheben und an die
Fesseln zu wahren.

An der Wand in der Nähe des Ofens
hingen mehrere Jagdgewehre, hier blieben
die rollenden Augen des Gutsheeren einen
Augenblick hängen — sein Körper zuckte und
wuthentzündet sprang er auf, mit vorge-
streckten Händen auf die Waffen zuweilen.

Der Tod schwebte über Josef's Haupt.

Er sah es.

Herr Obrist, sagte er, ohne einen Mo-
ment die Gegenwart des Geistes zu ver-
lieren und um einen Schritt zurückzuweichen.
Unten im Hause warten mein zukünftiger
Schwiegervater und meine Braut auf meine
Rückkehr; auch der Geistliche interessiert sich
für mich; wenn Sie mich niederschlagen,
ist zwar die Identität des Barons Gospo-
dow mit dem Dristen Konopof nicht ver-
rathen, aber das Loos eines Mörders ist
eben auch nicht sehr neidenswerth.

Der Drist bleibt wie angewurzelt stehen.

Wer ist deine Braut? fragte er.

Meine Confine Baschinta; ihr Vater ist
mein Onkel und ihr Schicksal das Meine.

So? Baschinta? So stehen die Sachen?
Da läßt sich ja mit dir ein Geschäft machen,
Bursche!

Die Züge des Gutsheeren beruhigten sich.
Du bist also hergekommen dieser Leute
wegen?

Freilich, Herr Obrist.

(Schluß folgt.)

REMOVAL.

Treasurer.....Wm. Harney

THE ABOVE-NAMED COMPANY HAS PURCHASED
the new Railroad Town of Decoto—the most eligi-
ble site on the line of the Western Pacific Railroad, in
Alameda Valley. It has beautiful scenery, rich soil,
good drainage, fine climate and running water, and is
easy of access, being within three-quarters of an hour's
ride of Oakland Wharf.

Beautiful Pione Grounds lie adjacent. Reservations
have been made for Parks, Schools, etc.

37,500 Evergreen Trees are to be planted upon the
property during the next rainy season, or 25 trees to
each lot.

There are 1,500 shares of \$200 each, payable in 20
monthly installments of \$10 each. Each share repre-
sents a lot of 50 by 100 feet. Lots to be distributed on
the 14th of November next. No assessment for any pur-
pose whatever can be levied beyond said \$200.

For particulars, pamphlets, etc., apply to

CALIFORNIA-MADE FARM WAGONS

FOR SALE.

WE STILL CONTINUE TO HAVE MANU-
factured in this city and vicinity a large num-
ber of these Wagons, made generally for two
horses, Light, Medium-size, and Heavy, with either
iron Axles or Timber Skins—thus ENCOURAG-
ING HOME INDUSTRY, and demonstrating to
the satisfaction of every intelligent observer the
superiority of California-made Wagons, both as to
Style, Materials, and Workmanship over any Wag-
ons sent here for sale, whether made at the State
Prison, Jackson, Mich., or at South Bend, Ind., or
any other Western place, while our prices are very
much lower.

Of every description of vehicles now running in
California, probably ninety-nine out of every hun-
dred have been made in this State, and their su-
periority in standing well in this dry climate has
been so well established throughout the past twenty
years, that it would, in the mind of any
practical man, seem to be an improper reflection
upon our many skillful mechanics in this branch of
business, to say otherwise.

We are prepared to furnish any reasonable num-
ber of these Wagons on short notice.

Catalogues and price lists sent on application.

Persons wishing to purchase, visitors to the city,
and all who may feel any interest in the matter,
are respectfully invited to call on JAMES & CO.,
IMPORTERS OF Carriages and Wagon Materials,
New Brick Warehouse,
CORNER CALIFORNIA AND DAVIS STREETS.

prietor.

OREGON STREET,
Between Jackson, Washington, Front, and Davis,

SAN FRANCISCO.
All orders from the Interior, Oregon and Wash-
ington Territory, or any place on the Pacific Coast,
attended to with promptness and dispatch.

Mr. Sims appreciates the past liberal patronage of
his friends, and trusts he may continue to merit
it in the future.

For the information of strangers, he would say
that he feels confident that his experience in his
particular calling is surpassed by none on this
Coast, which his superior work, sent to almost ev-
ery town in California, Oregon, Victoria, and Sand-
wich Islands, and to be seen on some of the best
buildings in San Francisco, fully attests.

Also—A very large lot of Second-hand Shutters,
of various dimensions, all for sale at very low rates.
N. B.—Mr. E. M. Burton, of Portland, will make
contracts for Iron Work, in my name. dec11

REAL HOMESTEADS.
29 Houses and Lots

IN THE...
CENTRE OF THE CITY
For Sale on Easy Terms.

MR. EDWARD RONDEL, OWNER OF A
large piece of Land in the block bounded by
Sixteenth, Seventeenth, Mission, and Valencia
streets, which Block is accessible by three lines of
Railroad Cars, proposes to build thereon 29
HOUSES, of a neat and uniform style [wherein all
is combined to insure convenience and salubrity],
according to plans and specifications in his office,
and to sell them to parties [if the 29 Houses are
subscribed for] on the following terms:
\$100 on subscribing an intention to purchase.
\$75 thirty days thereafter.
\$75 thirty days thereafter.
\$75 thirty days thereafter, when the buildings are
finished, and the purchaser placed in pos-
session, and 48 payments of \$30 each, secured by
as many notes and mortgages.
The Houses are designed to be built on the Cot-
tage plan [all on one floor], neatly finished, divided
into a hall, parlor, dining-room, kitchen, two bed-
rooms, with sink, closets, gas and water pipes,
marble mantels, inside blinds, patent water-clos-
ets, a garden in front of each house, and all street
and sewerage work properly made.
The locality on which the buildings are proposed
to be erected is one where persons of modest cir-
cumstances may well choose to select as a PRACTI-
CAL HOMESTEAD, as it is surrounded by grocers,
butchers, druggists, churches, and school-houses,
and all the circumstances and assistants that a
HOME may be in want of.
Persons wishing to secure one of these Home-
steads, can do so by calling at the office of the un-
dersigned, and signing an intention to that effect;
and where they may receive any further infor-
mation, on Monday, 20th June, at 11 A. M.
